Welcome to Term 3

I hope that you all had a safe and happy break and are ready for another busy term.

There are many things happening this term, so I encourage all parents to read the newsletter thoroughly and check your child's school bag regularly for permission notes and information.

Welcome!

Welcome to the Antonio family. Jake has joined Mrs Alcevski's class and Luke has settled well into Mrs Fairlie's class.

Welcome Miss Uhle who is taking Mrs Holl's class for the first four weeks.

Welcome Ms Butler who will be completing her final teaching internship with Mrs Pynsent during Term 3.

Education Week

To assist with time management we are going to combine our **Education Week** and **Book Week** (One World Many Stories) celebration into the one day on Wednesday 3rd August. starting at 1pm with a special assembly, lunch and book parade.

Department of Education and Community Awards will be presented to staff, students and community members at Mount View High School on 3rd August commencing at 4pm. Everyone is welcome

to attend and support the school and community.

Interrelate program TONIGHT

Last week a note went home about the interrelate program. I encourage all parents with children in Year 3-6 to consider attending these personal development programs. You can even pay tonight. My children and I will also be attending the evening, to assist my children with their own personal development.

School Musical- "A Journey Through Time" Monday 5th September.

Our own little starstruck! Production has commenced for the school musical. Each class will be presenting a sequence in time with music and songs about that era. Students will be in costumes and display their talent. The Musical will be having two sessions, the first matinee at 1pm and the evening show at 6pm. Sale of tickets will be restricted, so that no family misses out. Two tickets per family have been reserved until 29 August. After this date all remaining tickets will be available for sale. More information as the time gets closer. Tickets not on sale yet.

Merit Awards					
	Mrs Pitt	Mrs Holl	Mrs Alcevski	Mrs Fairlie	Mrs Pynsent
Week 9	Chelsea P	Rhett D	Jayde G	Nikki M	Thomas H

	Mason S	Rhett D	Claudia H	Ky C Luke A	Zac T
	Aryahn H	Jake A	Isabelle P	Luke P Hollie L	Nic W
Student of the Week: Korey T					

P& C Meeting

The next P&C meeting will be on Tuesday 2nd August at 9:15am in the library. I will be introducing our new school website and discussing the Building Education Revolution (BER) project.

This is your opportunity to discuss any school issues and to present your wonderful ideas. Hope to see you there.

Bathurst Excursion

By the time we publish our next issue of the Kearsley newsletter we will have been on our adventure to Bathurst to support our study of "GOLD".

I wish all the students a wonderful time and hope the weather is not too cold.

I'm really looking forward to finding some gold!

Jump Rope for Heart

Once again the school is involved in the very healthy fundraiser, Jump Rope for Heart. This program promotes, good fitness and develops heart health awareness. Students will be practising skipping skills at school. Today the students have been presented with a sponsorship form to assist with the fundraiser. Sponsorship is the bonus reward if you wish to participate in the fundraising. Jump off day is the Friday 26 August.

Child Protection

During Term 3 students in all classes will be participating in Child Protection lessons. This is a mandatory component set by the Department of Education and Community (DEC). If you have any question please talk to the class teacher.

Year 6 Shirts

Students wore their Year 6 shirt for the first time on Tuesday and they looked great. A big thank you to Mrs Gough who organised for this to happen.

Fruit and Veg Drive

Kearsley Public School P & C has decided to

conduct a Fruit and Veg Drive in line with its Healthy Eating Program. The "Eat it to Beat it" initiative is being run in co-operation with the Cancer Council of NSW and a local wholesaler, to ensure customers receive quality produce.

We would like the children to become involved, by obtaining orders through family and friends, and we are hoping to promote an awareness of healthy eating habits, whilst raising \$5 for every box sold. Proceeds from the program will assist school fundraising for a new play equipment cover. Customers (or their representative) must attend the school on the specified collection date in time to collect their order.

Selected classes will be asked to return their orders on different

dates to cope with demand.

Premiers Reading Challenge

Parents and students are reminded that the PRC finishes on 1st September. All books need to be entered and validated by the principal before that date. Don't risk being disappointed by missing this closing date. All students completing the challenge will receive a special award from the Premier of NSW during Term 4.

School Self Evaluation Survey

On the school website:

www.kearsley-p.school.nsw.edu.au

The school self assessment survey can be located on the home page, middle left hand side. All parents are asked to complete the very quick survey to help the school with its planning for the next three years. The survey will close at the end of the term. It's your chance to have your say.

When sexuality is the question...

interrelate has the answers!

Interrelate is a specialist organisation with over 85 years experience teaching sexuality education in NSW schools. Interrelate educators are highly trained and skilful presenters.

The topic of sexuality will be handled with sensitivity, openness and humour. The programs offer an interactive approach to learning, with a variety of audio-visual materials, discussion and games. A range of books on sexuality education and parenting will be for sale.

Evening programs provide age-specific sessions of about one hour's duration.

INTERRELATE
TONIGHT 6:00 & 7:15 pm
