## Relay For Life

On Thursday 27th September our school participated in a fundraiser for Relay For Life. The students had a fantastic time competing in their own relay and enjoyed purchasing and eating cupcakes at lunch. Thank you to everyone who supported this event.

## Pit2Pit Muddy Roam

On the last day of Term 3, Mr Folpp and Mrs Trigg took 20 students on the Pit2Pit Muddy Roam. Everyone enjoyed the ride, even though it was a very warm day. We are very lucky to have the surrounding areas to explore right near our school!

## Kinder 2019

Our Kinder students for 2019 have already begun orientation sessions at school. They will be visiting our school each Wednesday for the next 4 weeks where they will even get to spend some time in the playground at lunch. Thanks to Mrs Manderson for all her work in organising our orientation program.

## Sensory Garden

In the last week of Term 3, our sensory garden was finally opened. It has been extremely popular with many students. There are still a few more additions coming, such as a wooden bridge constructed by the local 'Men's Shed.' Thanks to Miss Rawlins for all her work to make this project a success.

## Lost Property

We have a large number of items of unnamed lost property. Items can be found in our new lost property tub located in the hallway outside the office. We have everything from hats and jumpers to lunch boxes and drink bottles. If you are missing any items please visit the office and we can help to identify if something belongs to you.

We would also like to take this opportunity to remind everyone to ensure that all uniform items are clearly named. If items are named we can easily return them to their owners.

## Canteen News

Some changes to the canteen lunch order process have occurred. Teachers will continue to give students their food/drinks but their change will now be given back to all students at the canteen rather than in their food bags. This will make sure that all students are getting the correct change all the time. A sticker will be placed on the bag to remind students they have change and to come and collect it from the canteen after eating time.

## Swimming School Term

Students in Year 2 and Year 3 will be participating in this 10 day Intensive Swimming program with spaces leftover offered to selected students who are non swimmers. The program commences on Monday 29 October and runs until Friday 9 November. The total cost (\$63 per student) will be paid for by the school and the Sporting Schools Program, a bus will be used to transport the children. Students will need to bring swimmers, towel, dry underwear, sunscreen, a plastic bag for wet clothing and a hair brush or comb each day. Please make sure all belongings are clearly labeled with your child's name as we are not the only school using the facilities.

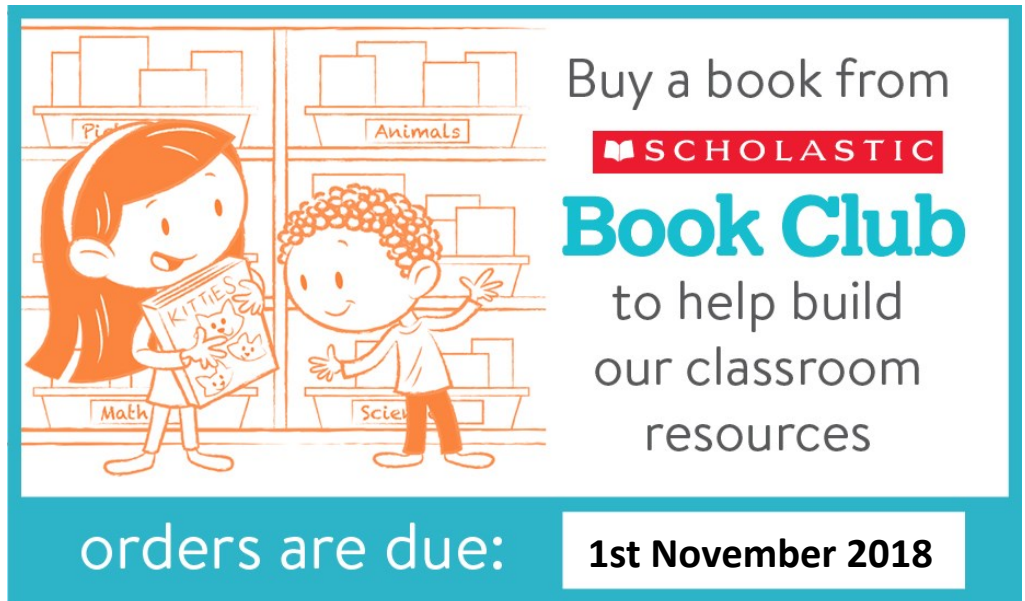

## Thank You Morning Tea

Our annual Thank You morning tea will be held in the school hall on Tuesday 20 November from 11:15—12pm. All volunteers are welcome to come along for a cuppa and a chat. Invitations will be sent home in the next few weeks.

## Book Club

Book club order forms were sent home earlier in the week. If you would like to order gifts to put aside for Christmas please write on the order "CHRISTMAS GIFTS" and Mrs Reed will keep these separate for you. Money and orders will need to be finalised by Thursday 1 November.

A promotional graphic for the Scholastic Book Club. It features a cartoon illustration of a girl and a boy in a library. The girl is holding a book titled "KITTIIES". The shelves behind them are labeled "Animals", "Math", and "Science". To the right of the illustration, the text reads: "Buy a book from SCHOLASTIC Book Club to help build our classroom resources". At the bottom, a blue banner contains the text "orders are due: 1st November 2018".

## Kinder Orientation

Kinder Orientation has begun in Term 3 with great success. Dates for future orientations are as follows:

- 24 October 9.15-12.15pm
- 31 October 9.15-11.00am
- 7 November 9.15-12.15pm
- 14 November 9.15-12.15pm

**\*\*\*Please Note... Please pack a hat, water bottle and a snack for afternoon tea for each visit\*\*\*** If you know anyone who has not yet enrolled please encourage them to do so. Out of zone applications have closed and only families who live in our area will be accepted due to the governments policies relating to class sizes and out of zone enrolments.

## P&C News

Welcome back to Term 4. We hope everyone enjoyed their break.

The canteen is in desperate need of volunteers for Thursdays and Fridays. If you or someone you know would like to help out, please contact the school office or Amy Archibald on 0431891776. Canteen hours are 9am – 12pm. Training is provided. Even if you can only help out 1 day a month, every little bit is appreciated.

Our school shirts and school jackets can still be pre-ordered with payment through the canteen (correct money would be appreciated) on Monday and Wednesday mornings between 9am – 10am. Our shirt price is \$23, while our jacket price is \$34.

Our next P&C meeting will take place on **Thursday 8 November 2018 at 1.30pm** in the school library. Please come along. It's a great opportunity to find out what is actually happening within your child's school and to have some input into what you would like to see taking place. Everyone is welcome.

# Book Club LOOP

**LOOP** is the Scholastic Book Club  
Linked Online Ordering & Payment platform.

It's easy to order and pay online for your child's Book Club order using your credit card. If your school is not yet in the **LOOP**, speak with your school's Book Club Organiser.

Head to [scholastic.com.au/LOOP](http://scholastic.com.au/LOOP)  
or  

Follow these **easy** steps!

**1** Simply grab your child's Book Club catalogue and either **SIGN-IN** or **REGISTER** your account.

**2** Add your child's first name and last initial (so the school knows who the book is for), then select your **SCHOOL** and your **CHILD'S CLASS**.  
Note: You can order for multiple children at once if they attend the same school.

Looking for **MORE** product information? Additional content such as videos and downloads are available for select titles. Select your issue and enter the item number to view information on titles and some great resources, such as videos and reviews.

All volunteers who work in the school canteen, reading groups or who volunteer and are on school grounds need to pay a membership fee to be covered for insurance purposes. Please pay your \$2.00 P&C / Canteen membership to the school office ASAP. A prohibited employment declaration form needs to be filled in as well as providing 100 points of ID. These can be collected at the office or one can be sent home with your child. Amy Archibald is doing canteen rosters and can be contacted on 0431891776 for any questions regarding rosters. If you are unable to make your canteen day please contact the person you are doing canteen with to let them know you can't make it and try to find your own replacement. Thank you!

### SCHOOL BANKING

Please send in bank books every Thursday for Ms Crane to process. Some great prizes can be earned for regular banking! Thank you.

## Good for Kids good for life

# CHOOSE WATER as a drink

Water is the best drink as it does not have any added sugar. Fruit juices, soft drink, sports drinks or cordials should not be given to your child everyday as they contain a lot of added sugar. Tap water is the best choice. In most areas, tap water contains fluoride, which helps children to develop strong teeth.

**Hunter Medical  
Research Institute (HMRI)**  
is committed to  
improving the health  
of the community

As a medical research institute and charity, HMRI raises funds and provides key research services for health and medical research in the region. HMRI also takes a leadership role in connecting the amazing research happening in the region directly with the community.

HMRI-affiliated researchers conduct significant research that is changing health care and the way we understand diseases and health problems. With more than 1600 medical researchers working across Hunter New England Local Health District and the University of Newcastle, HMRI's work impacts a wide range of health problems... from stroke to cancer, mental health, immunology and vaccines, asthma, pregnancy, diabetes, health service delivery, and much more.

HMRI supports researchers to make some of the world's biggest health challenges a thing of the past. Through clinical trials we help keep families together for longer, and with further research we are offering hope for the future when disease or illness strikes you, your friends or loved ones.

HMRI enables and supports life-changing research that directly improves health care and prevention. With world-class research, healthcare professionals can deliver the best health solutions for their patients, to make sure families aren't torn apart by illness or disease.
